DGTI TÜBINGEN -
STUTTART 2026

23–25 September
ICS Stuttgart

Now available online: the main programme

This year's programme focuses on innovative treatments, new therapeutic strategies and a joint discussion of current challenges in transfusion medicine.

Look forward to a diverse programme featuring practice- and research-oriented topics from the fields of immunohematology, transplant immunology, cell therapy and haemostaseology.

Hear from renowned national and international experts presenting the latest findings first-hand. Explore the diversity of the programme and mark your personal highlights.

Cooperations

The advertisement features a teal background on the left with the text "Fundierte Tiefe – Schneller Überblick" and "e.Medpedia – die digitale Enzyklopädie". On the right, a woman with glasses holds a smartphone displaying a medical app interface. A dark blue circle contains the text "Schon gratis getestet?". The Springer Medizin logo is in the top right corner.
